

Mayer & Williamson Valley/ Bagdad Fire District

The Mayer and Williamson Valley/Bagdad Fire Districts are located in the heart of Yavapai County. Both districts are combination fire and medical departments that provide fire suppression, fire prevention, wildland protection, advanced life support, rescue, extrication, and medical transportation services.

The Mayer Fire District operates out of three stations located in the heart of Mayer Arizona. Mayer Fire District provides emergency response for approximately 25 miles of the I-17, as well as approximately 15 miles of State Route 69. The Williamson Valley/Bagdad Fire District currently operates out of two stations and is located about an hour southwest of Prescott Arizona and provides emergency response for the towns of Williamson Valley and Bagdad. Williamson Valley/Bagdad Fire District also provides emergency response for numerous miles of highways 96 and 97 as well as fire, medical, technical rescue, and hazardous materials response for the Freeport MacMoRan mine located in Bagdad Arizona.

Both fire districts are located between 3,500-5,000 feet elevation and we experience all seasons which makes it perfect for outdoor activities throughout the year.

Reserve Firefighter

Overview:

Both districts have immediate openings for ALS and BLS reserve firefighters. We will also be creating a hiring list that will remain in place for the next twelve months.

The Reserve Firefighter EMT/CEP performs a variety of duties. The salary range for the position is \$12.15-\$13.00 for EMT and \$13.26-\$14.75 for CEP. Continued employment as a "Qualified Reserve" is dependent upon successful completion of the reserve training program. This is a part-time position with benefits that include potential for out of district wildland fire response, uniform allowance, employee assistance, potential for full-time employment for reserves in good standing, and unique training opportunities.

NOTE: This is a combined hiring process for both fire districts. Passing candidates will have the ability to work at any of the 5 fire stations. All interested applicants need to apply by following the instructions through the Mayer Fire District link on the NTN website. A Mayer Fire job application (found at MayerFire.com) must also be uploaded to the NTN website.

Minimum Qualifications:

- 18-years of age
- High school diploma or equivalent
- Current State of Arizona or National Registry EMT/Paramedic certification
- State of Arizona FF I&II Certification
- Wildland S130/190 (employees that do not have this, will have 12 months from date of hire to obtain)
- Passing CPAT within the last 12 months

Special Requirements:

- Must possess a valid Arizona driver's license
- Must pass a DPS background check and fingerprint clearance
- Must pass a drug screening
- Must have good communication skills

Employment Process:

- Job applications can be found online at www.mayerfire.com
- Administration offices located at 11975 SR 69 Mayer, AZ 86333
- Candidates that successfully pass the written test will be invited to an oral interview
- Select candidates will be invited for second round oral board with the Fire Chief
- Selected candidates will be invited to a mandatory on site orientation

Closing date/time for submission of the required application documents is **May 7, 2021**. Applications received after the deadline shall not be considered.
