4 Public Hearing on the fiscal year 2022/2033 Budget

Chief Smith stated that last year's budget was 3.334 million dollars. Next year's proposed budget is for 3.66 million dollars. We are also lowering the mil levy rate from 3.25 to 3.20. That includes pay parity for firefighters and all the promotions that go into effect July 1, 2022. There has been a 5% increase in property tax in the district which will go up significantly next year due to new construction this year.

Items that increased on this year's budget include health insurance, wages, fuel and workmen's compensation premiums.

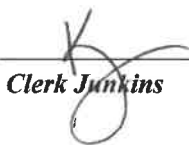

A double payment was made on the Type 3 Engine.

We have paid up front for half of the ambulance re-chassis on order. The other half will be paid in the new fiscal year.

Ambulance billing remains strong.
